MYDENTALWIG, INC.

SUPPLEMENT NO. 3

TO PRIVATE PLACEMENT MEMORANDUM

Date: September, 2026

IMPORTANT NOTICE
This Supplement No. 3 (the "Supplement") amends and supplements the Private Placement Memorandum dated (month), (year) (the "Memorandum"), including prior Supplements No. 1 and No. 2, relating to the offering of securities by MYDENTALWIG, Inc. (the "Company") pursuant to Regulation D, Rule 506(c).

This Supplement should be read in conjunction with the Memorandum and prior Supplements. Except as specifically set forth herein, all other terms of the Memorandum and prior Supplements remain unchanged.

---

1. Clarification of Phase 1 Capital Deployment Scope
The Company reaffirms that the initial Phase 1 capital deployment budget is $15 billion, representing a realistic and executable industrial campus development. Phase 1 includes:

- Land acquisition and preparation (10,000–12,000 contiguous acres)
- Modular industrial campus construction including manufacturing lines, AI data center, Smile Engineering Academy, and workforce infrastructure
- Renewable energy integration and city-wide AI-enabled network infrastructure
- Fire-resistant building systems and emergency safety measures
- Workforce training and related facilities

This scope reflects a phased and pragmatic approach to building MYDENTALWIG's industrial footprint.

2. IDM Facility and Future Phases
The Integrated Device Manufacturing (IDM) facility, budgeted separately at approximately $23 billion, is planned as a subsequent phase beyond Phase 1. It is not included in the current $15

billion Phase 1 capital allocation and will be pursued upon successful completion and funding of initial phases.

3. Intellectual Property Ownership
The Company confirms that all intellectual property related to the Trump Arch of Triumph, Trump Boulevard, Trump Pyramidal Museum designs, and related trademarks or branding concepts currently belong exclusively to the founder, Lydie Livolsi, and are subject to licensing agreements granting MYDENTALWIG exclusive rights. Should any third-party authorization related to trademark use become unavailable, the Company reserves the right to rebrand these assets without operational disruption.

---

4. Illustrative Architectural Concepts and Founder-Owned Intellectual Property

To provide investors with contextual understanding of the long-term development vision for Sainte Lydie City, the Company is including certain **illustrative architectural concept images**.

These materials are provided **solely for informational and disclosure purposes**. They are not marketing materials and do not constitute projections of financial performance, guarantees of development completion, or inducements to invest

A. Trump Arch of Triumph & Trump Boulevard – Conceptual Designs

Purpose:
The Trump Arch of Triumph is envisioned as a landmark architectural gateway within Sainte Lydie City. Trump Boulevard is conceptually designed as a primary ceremonial corridor connecting key civic and industrial components of the master plan.

Intellectual Property Ownership:
All designs, renderings, architectural concepts, naming concepts, and related creative works associated with the Trump Arch of Triumph and Trump Boulevard are currently the **personal intellectual property of Lydie Livolsi, founder of MYDENTALWIG, Inc.**

Such intellectual property has **not yet been assigned to MYDENTALWIG, Inc.** The Company anticipates that these assets may be licensed or assigned to the Company under separate agreement at a later date.

Use of any third-party name in connection with these concepts remains subject to applicable authorization and branding considerations. The Company reserves the right to modify, rebrand, rename, or redesign such elements without affecting core development strategy.

Images Included:

- Daytime conceptual rendering
- Illuminated / evening rendering

B. FARMS-ÉLYSÉES BLVD – Conceptual Master Plan Element

Purpose:
FARMS-ÉLYSÉES BLVD is envisioned as a principal longitudinal axis within Sainte Lydie City, connecting major civic and industrial zones.

Intellectual Property Ownership:
The naming concept, boulevard layout design, and related creative works are currently the **personal intellectual property of Lydie Livolsi** and may be licensed or assigned to MYDENTALWIG, Inc. in the future.

C. Important Investor Disclosure

The inclusion of architectural concept images in this Supplement:

- Does **not** confer any ownership rights in such intellectual property.
- Does **not** create any additional economic, voting, governance, or liquidation rights.
- Does **not** guarantee construction, timeline, naming approval, or completion of any specific structure.
- Is provided solely to enhance investor understanding of the scale and scope of the long-term master vision.

All development remains subject to capital availability, regulatory approvals, engineering validation, and final design determinations.

Except as expressly set forth in this Supplement, all other terms of the Memorandum and prior Supplements remain unchanged.

5. Modular Construction Approach
The industrial campus and manufacturing lines are designed modularly to allow flexibility, phased buildout, and efficient equipment integration. Modular construction also enables adaptability to emerging technologies and operational requirements.

6. Power and Infrastructure Phasing
Power infrastructure deployment will be staged to match operational needs, beginning with an initial 200 MW allocation consistent with Phase 1 operational timelines. This phased approach aligns with expert recommendations and ensures capital efficiency.

7. Investor Communication and Transparency
This Supplement continues the Company's commitment to transparent investor communication

and timely disclosure of material developments. It supplements and does not supersede prior Supplement Nos. 1 and 2.

8. No Change in Economic or Voting Rights
Participation in this offering remains governed by the terms set forth in the original Memorandum and Supplements. This Supplement does not confer any additional economic, voting, governance, or liquidation rights.

Investors who have previously received the Memorandum and Supplements are encouraged to review this Supplement carefully and acknowledge receipt as part of the ongoing subscription process.
